## MEDIA INVITE

### INFORMATION REGULATOR HOSTS A STAKEHOLDER CONSULTATIVE SESSION ON IT'S ANNUAL PLANS FOR THE 2025/2026 FINANCIAL YEAR.

**3 March 2025**

The Information Regulator (Regulator) will host a Stakeholder Consultative Session on 05 March 2025. It recently concluded its planning process for the 2025/2026 financial year after robust internal consultation and deliberations through the organisation's wide governance structures. Therefore, the Regulator will consult stakeholders and the public on the draft Annual Performance Plan before it is tabled in Parliament.

The objective of this session is to create an open environment for stakeholders to interact with the Regulator and solicit stakeholder inputs to the plan, furthermore this is to encourage stakeholder participation in the implementation of the Regulator's mandate, through compliance with both Protection of Personal Information Act (POPIA) and Promotion of Access to Information Act (PAIA). In this engagement it will present highlights and reflect on activities the Regulator has embarked on in protecting and promoting the right to privacy and the right of access to information and outline the key priorities of the Regulator for the 2025/26 financial year.
