#### FOREWORD BY THE CEO

The Information Regulator (Regulator), in compliance with the Promotion of Access to Information Act 2 of 2000, as amended¹ (PAIA), has prepared this PAIA Manual (which Manual must be read in conjunction with the Guide on how to use PAIA) to facilitate the public's access to information held by the Regulator. One of the basic values and principles governing public administration is transparency. The Constitution of the Republic of South Africa Act 108 of 1996 (Constitution) demands that transparency must be fostered by providing the public with *timely*, accessible and accurate information.

The aim of PAIA is to foster a culture of transparency and accountability by public and private bodies and assist in realising South Africa's goals of an open and participatory democracy. PAIA also gives effect to the right of access to information and actively promotes a society in which any person has effective access to information. This will enable any person to fully exercise their rights.

In promoting a culture of transparency and accountability in public and private bodies, the Regulator acknowledges that there are limitations<sup>2</sup> within the overall promotion of good governance through transparency. Such limitations are acknowledged within the provisions of PAIA and the Protection of Personal Information Act 4 of 2013 (POPIA), as it specifies circumstances under which there would be limited or restricted access to the information held by the Regulator.

The limitations will balance the right of access to information with other rights contained in the Bill of Rights. In accordance with the Regulator's obligation in terms of the Constitution and PAIA, the Regulator may be compelled, despite the existence of the grounds for refusal of access to records, to grant a request for access to a record of the Regulator, if the disclosure of the record would reveal evidence of a substantial contravention of, or failure to comply with the law, and the public interest in the disclosure of the record clearly outweighs the harm contemplated in any of the grounds for refusal of access to records.

- 15.2. A requester or data subject must use the prescribed form, **FORM 2**, when requesting access to a record or personal information. Form 2 is annexed hereto.
- 15.3. A requester is any person making a request for access to a record of the Regulator and in this regard, PAIA distinguishes between two types of requesters for access to information, i.e. Personal Requester, (data subject) and Other Requester.
  - 15.3.1. A data subject is a requester who, having provided adequate proof of

\_

<sup>&</sup>lt;sup>22</sup> Section 23(1) of POPIA provides that a data subject, having provided adequate proof of identity, has the right to—

a) request a responsible party to confirm, free of charge, whether or not the responsible party holds personal information about the data subject; and

b) (b) request from a responsible party the record or a description of the personal information about the data subject held by the responsible party, including information about the identity of all third parties, or categories of third parties, who have, or have had, access to the information

identity, is seeking access to a record containing personal information about the data subject. Subject to the provisions of PAIA and POPIA, the Regulator will provide the requested information, or give access to any record with regard to the data subject's personal information within a reasonable time, (at a prescribed fee, if any) in a reasonable manner and format and in a form that is generally understandable. The prescribed fee<sup>24</sup> for reproduction of the personal information requested will be charged by the Regulator;

- 15.3.2. A person falling in the category of Other Requester is entitled to request access to information pertaining to third parties. However, the Regulator is not obliged to grant access prior to the requester fulfilling the requirements for access to information in terms of PAIA and POPIA.
- 15.3.3. The prescribed fee for reproduction of the information requested may be charged by the Regulator.
- 15.4. The Form 2 must be addressed and submitted to the Information Officer by hand, post, per fax or e-mail, which details are set out in paragraph 8 above.
- 15.5. The requester must provide sufficient information of the record(s) requested in order for the Information Officer or Deputy Information Officer, if any, to identify the record(s). The prescribed form must be filled in with enough particularity to at least enable the Information Officer to identify:
  - 15.5.1. the identity of the requester;
  - 15.5.2. particulars of record requested;
  - 15.5.3. type of record;
  - 15.5.4. form of access; and

<sup>&</sup>lt;sup>24</sup> Section 23(1)(b)(ii) of the POPIA

- 15.6. Some additional important points to remember when completing the request form:
  - 15.6.1. each section of the form contains instructions that should be followed to improve the likelihood of the request being granted with minimal delay being experienced;
  - 15.6.2. if records are requested on behalf of another person, please provide a copy of the mandate authorising you to act on behalf of another person;
  - 15.6.3. a detailed description of the records being requested must be provided to enable the Information Officer or Deputy Information Officer to identify it accurately.
- 15.7. The requester must indicate, as per section 29(2) of PAIA<sup>25</sup>, the form of access that is required.
- 15.8. The requester must indicate whether the requested record(s) is preferred in any particular language.
- 15.9. The requester should indicate the manner in which he/she wishes to be informed of the decision on the request and the necessary particulars to be informed accordingly.
- 15.10. The requester will receive the information in such manner as indicated. Section 29(3) of PAIA<sup>26</sup> indicates that making available the information will depend on whether the request will not interfere unreasonably with the effective administration of the Regulator, be detrimental to the preservation of the record(s) or infringe any copyright not owned by the State.
- 15.11. According to Section 29(4) of PAIA, should access in the form as requested, be refused as per Section 29(3) of PAIA, but access is given in an alternative form, then the fee charged may not exceed the amount that would have been charged

<sup>&</sup>lt;sup>25</sup> Section 29(2)(a) of PAIA provides that "record must be provided in written or printed form or visual images or printed transcriptions, by supplying a copy of the record or by making arrangements for the inspection of the record.

<sup>&</sup>lt;sup>26</sup> Section 29(3) of PAIA provides that- If a requester has requested access in a particular form, access must, subject to section 28, be given in that form, unless to do so would

<sup>(</sup>a) interfere unreasonably with the effective administration of the public body concerned;

<sup>(</sup>b) be detrimental to the preservation of the record; or

<sup>(</sup>c) amount to an infringement of copyright not owned by the State or the public body concerned.

for access in the form initially requested.

- 15.12. If, in addition to a written reply to the request for the record, the requester wants to be informed of the decision in any other manner, the requester must specify the manner and provide the necessary particulars to be informed accordingly.
- 15.13. Where the requester is making a request for the information on behalf of another person, he or she must provide proof of the capacity in which the request is being made.
- 15.14. An oral request for access to a record(s) may be made, if the requester does not have a formal education or has a disability. The Information Officer or Deputy Information Officer will assist the requester to complete the prescribed form on behalf of such requester and provide him/her with a copy of the completed form.
- 15.15. The requester will be notified of the prescribed fee payable, if any, the method of payment and the office to which he/she can make such payment or submit proof of payment before a request for information is processed further. Please note that the requester is exempted from paying an access fee<sup>27</sup> to the Regulator if:-
